

Whiskey Run Mountain Bike Festival

This is an OBRA sanctioned event.

DATE: Saturday, June 4 & Sunday, June 5, 2022

LOCATION: Whiskey Run Trails, Coos County, OR
Map to trails: <https://goo.gl/maps/5JLMCCiKdUiHz2EH9>

ABOUT Whiskey Run Trails:

Purpose built mountain biking trail system in the Coos County Forest. Trails for all levels of riders from family friendly/beginner areas advanced jump lines and Double Black diamond trails. The trail system is located about 12 min (8.4 mi) via US-101 N and Seven Devils Rd. from Bandon, OR & 23 min (17.9 mi) via US-101 S Coos Bay to Whiskey Run.

The Whiskey Run Mountain Bike Festival will showcase this awesome trail system by offering guided group rides led by the people and club who helped build them. Each ride will be led by members of the Wild Rivers Coast Mountain Bicycling Association & local riders. Something for everyone at the trails with a family ride, beginner ride, intermediate, and advanced ride options. This is a great opportunity to come out and get to know the trails in a fun and supportive environment.

Our celebration of the trails will continue with food, music & beverages on site. Food carts and beer from 7 Devils Brewery will be available for purchase.

Limited camping is available on a first come, first served basis on our registration site. See FAQ for more information.

Two days of fun biking events on the Southern Oregon Coast!

8:30 AM Check in & day of registration

10:00 AM Rides start

RIDE OPTIONS:

Advanced Enduro Style Ride - Full Flight Enduro: (~20 miles).

Ready to really take flight? We are offering an exceptional guided ride for those looking for both miles and hang time, while lapping all the fun downhill only trails. Take a tour with our local shredders around black and double black jump trails with blue and green climbing in between. This ride is great for those more experienced riders looking to hit the jumps, gaps, and techy fall-line trails all around Whiskey Run. Get your climbing legs ready for this up and down enduro-style ride. Options for pre-ride, re-ride and rip on more challenging features. Bring your hydration and fuel for this longer ride.

10:00 AM Advanced-Enduro Ride gathers into groups of 10-15 people.

10:15 AM First Advanced- Enduro Ride group leaves led by the Whiskey Run gurus.

Advanced Cross Country Ride - Full Flight XC: Longer, faster paced no-drop ride for advanced riders comfortable with jumps, gaps, etc. 20+/- miles.

Are you looking to push your mileage at a good pace with fellow stoked riders, but not looking to fly through the air just yet? The “advanced ride” is for those who want to keep their wheels (mostly) on the ground and are comfortable on a longer ride at a faster pace. We definitely won’t be racing, but this ride is for those that are confident enough to keep up and enjoy the best of the trail system on all level trails from Green to Black. Guided by Whiskey Run gurus, you will ride in and out of the trees, up and down the slopes, and really get a good taste of what Whiskey has to offer!

10:30 AM Advanced Cross Country Ride gathers into groups of 10-15 people.

10:45 AM First Advanced Cross Country Ride group leaves led by the Whiskey Run gurus.

Intermediate Ride - Whiskey Sampler: No-drop ride on green and blue trails. 10+/- miles. Ready for a little more, but not yet ready to be the King/Queen of the Mountain? Our intermediate ride is great for enthusiastic riders and those with trail riding experience who want to ride a little faster, but still not get left behind. We will ride at a decent pace enjoying a longer ride on mostly blue (intermediate) and green trails with

plenty of stops at crucial intersections to hydrate, chat, and catch your breath. This ride, guided by local enthusiasts, is perfect for those with basic to intermediate mountain biking skills who may not be ready for the entire system, but want a good solid ride with good solid people.

11:00 AM Intermediate Ride gathers into groups of 10-15 people.

11:15 AM Intermediate Ride leaves led by local enthusiasts.

Beginner Ride - Break the Ice: Easy, no-drop ride for adults. 5+/- miles.

This relaxed paced ride is open for beginner mountain bikers who want to get a taste of the trails at an

easy pace, so you don't need to feel like you're always having to "keep up." This ride will venture on both the East and West sides of Whiskey Run and encompass white (very easy), green (easy) and a little bit of blue (intermediate) trails. This no-drop ride will give you a chance to enjoy some of the best of the trails and trees with not too much climbing or difficulty, and plenty of breaks. This group ride is perfect for new-to-mountain biking riders who want a supportive and fun atmosphere to learn new skills.

11:30 AM Beginner Ride gathers and grouped by ability & experience.

11:45 AM Beginner Ride leaves led by local enthusiasts.

Family Ride: Sippy Cup- Family Friendly Ride (~3 miles). Slow paced family friendly ride. Definitely some pump-track!

This easy-paced ride is open to families with kids on Striders to beginner youth. Enjoy a 3 mile fun ride with some easy green flow trails in both the woods and the sunshine. This route has minimal elevation change and exposure and is great for those just learning trail riding. There will be some pumptrack time at the end of the ride too. Our ride leaders are also coaches, so be prepared to learn a few tricks and techniques with your little ones. [A parent or guardian must accompany children on this group ride.]

12:00 PM Family Ride gathers and grouped by ability & experience.

12:15 PM Family Ride leaves led by mountain bike coach, Erin Kessler.

1:00-1:45 PM Packet pick up & Registration for the Flow Duro Challenge

2:00 PM Pre-Ride of Flow Duro Challenge Course

2:00 - 4:00 PM Trail celebration ~ Music, food & beverage garden open for purchase.
